## Program: Dean and Starr Jones, Doug Mumaw - Snow Camp Outdoor Theatre

Dean and Starr Jones have over thirty years of work experience in Hollywood, including two Emmys for their makeup work on Star Trek. Doug is an outdoor theatre expert with over 30 years of experience nationwide. Dean and Starr were asked to take on refitting the Snow Camp

Outdoor Theatre and updating it in the quest of making it successful and profitable again. This will be the forty-third season.

They just finished rewriting the outdoor drama *Sword of Peace* at the [Snow Camp Outdoor Theatre](#), in order to make it more appealing and historically accurate. The new version of the play is called *American Patriots* and emphasizes the role of local Revolutionary War heroes while continuing to highlight important part the Snow Camp Quakers played in our local history during the time of the Revolution. A script rewrite is also underway for the second major summer production, *Pathway to Freedom*, which is about the role of the Snow Camp Quakers in the Underground Railroad, which ran from North Carolina to Indiana .Dean and Starr bring their talent and expertise from the film industry to the Outdoor Theatre's productions by creating a heightened cinematic experience for their audiences. With more drama and more history, these two plays will actively engage, entertain, and educate viewers, regarding some of the most turbulent times in the history of our nation. All aspects of these shows, from sets and wardrobe, to makeup and sound, will have greater production value. The battle scenes will be expanded dramatically, with more firepower than ever before. Watching these productions, you will feel as though you have stepped back to those actual moments in history. The 5-year plan for the theater includes updating many old buildings and increasing attendance dramatically. At the end of the presentation, Sam Powell played two professionally filmed "teaser-trailers" for the two big dramas. These films were shot locally using area talent. Dean passed out one free ticket to anyone who wanted one, with the hope that we would purchase enough additional tickets to bring family and friends. Deva Reece suggested that we do a Family of Rotary event by going as a group to the drama - a great idea!

Snow Camp Theatre also will host three drama camps this summer for middle schoolers, high school age, and for adults. These camps will be produced by the Jones brothers and will be supervised by professional acting coaches. Part of the vision is to provide children with an opportunity to develop new skills, gain self confidence, explore new vistas, and learn more about working as a group. Students will learn more about music, dance, and visual arts, as well as potentially launching careers in teaching, law, politics, broadcasting, and performing. Children will have an opportunity to put these skills into action by being part of a planned Children's Theatre production of *Treasure Island*. *Dracula* will be a fourth production of the Theatre, which should draw in some of the fan base who support the annual Hollywood Horror Show produced by Dean and Starr.

At the end of the presentation, President Lee presented, pictured from left to right, Doug Mumaw, Starr Jones, and Dean Jones with a plaque to show our appreciation for their coming to our meeting to present their program. Sam Powell and Club President Sang Ho Lee are also in the photo.

### **Card Drawing**

Pete Beck's table held the winning ticket, but unfortunately he drew the 5 of Clubs. Only 45 cards stand between you and the pot. Your odds are getting better every week.

### **Closing**

As is our custom, we all stood to recite the Rotary Four Way Test, which was led by President Lee, who afterward adjourned the meeting. Until next week...
